

Acknowledgment of Risk and Waiver of Liability

As a condition of participation in any class, camp, intensive, recital, or activity hosted by Full Circle Dance Center, the participant, or parent/guardian of a participant, agrees to assume all risks and hazards of engaging in these activities, including assuming all risks for personal injury, illness, and death.

The participant further agrees to hold harmless Full Circle Dance Center, their staff, teachers, contractors, volunteers, and other sponsors from liability for any losses, damages, injuries, or illnesses that may occur in any way as a result of these activities, regardless of cause.

The participant further certifies that the participant is properly prepared to engage in activities they have selected and that they have recently consulted with a physician to determine that it is safe and appropriate for the participant to engage in these activities.

Participants (or the parents/guardians of participants who are minors) may also be required to complete a medical health history form or complete a temperature screening prior to participation in any programs or classes. Anyone recovering from an injury or illness must first discuss their return to activity with both their physician and Full Circle Dance Center prior to returning to activities at the studio.

The participant further agrees that there is a risk associated with participating in these activities during the COVID-19 Pandemic, and exposure is possible.

The participant acknowledges that they are voluntarily participating in the chosen activities, and doing so at their own risk.

This waiver and release of liability shall remain in effect for the duration of the participant's engagement in any classes, events, and activities at or sponsored by Full Circle Dance Center.

By signing below, the participant (or parent/guardian) acknowledges that they have read the above waiver, and the participant waives and releases Full Circle Dance Center, their staff, teachers, contractors, volunteers, and other sponsors from all claims or liabilities of any kind arising out of participation in any Full Circle Dance Center activity.
